During this time of uncertainty, as always, Tri-CAP is here, providing assistance and resources to families who are facing economic hardship. Tri-CAP is your Community Action Agency and we are Helping People and Changing Lives.

Following the latest guidance, Tri-CAP’s Administration and Public Transportation offices will remain closed to the public through **May 31, 2020**, with service access provided via phone, online and through the mail.

If you need help, call our office at **320-251-1612**. We can help identify resources to be of assistance including:

1) Scheduling a phone appointment to work with you to identify and refer you to resources to meet your needs
2) Sending out program applications by mail or email
3) Helping with the status of your application
4) Working with a Dispatcher for ride information – as of April 21 bus fares are temporarily suspended, so there is no cost to ride a Tri-CAP bus
5) All other questions

The drop box outside the 1210 Administrative office is available to drop off applications, payments and information.

Visit our website [www.tricap.org](http://www.tricap.org) for program information and some applications.

Call Tri-CAP for guidance to the assistance you need: **320-251-1612** or **888-765-5597**
