

Tri-CAP continues to monitor the COVID-19 pandemic. Given the current situation in our communities and abiding by the policy makers and health professionals, Tri-CAP has decided to continue to keep our offices closed to the public until further notice. We continue to provide assistance and resources to families facing economic hardship through the telephone, online, and via the mail.

If you need help, **call our office at 320-251-1612**. We can help identify resources to be of assistance including:

- 1) Scheduling a phone appointment to work with you to identify and refer you to resources to meet your needs
- 2) Sending out program applications by mail or email
- 3) Helping with the status of your application
- 4) Working with a Transportation Dispatcher about ride information – fares will be suspended until January 4, 2021, at which time standard Tri-CAP bus fares will resume
- 5) All other questions

The drop box outside the 1210 Administrative office is available to drop off applications, payments and information.

Visit our website <https://tricap.org/> where program information and some applications are available.
